Industrija mesa Goranović privatno je vlasništvo porodice Goranović koja se ovom privrednom djelatnošću bavi od 1986. godine kada je počeo s radom maloprodajni objekat u Nikšiću. 2001. godine puštena je u rad savremena fabrika za proizvodnju suvomesnatih proizvoda i prerađevina od mesa, a nakon toga je otvorena još jedna maloprodajna radnja u Nikšiću.

Jedna od najmodernijih klanica u regionu sagrađena je 2011. godine i ima najsavremeniju opremu i linije klanja žive stoke i obrade svježeg mesa.

Od skromnih početaka prije nekoliko decenija, kroz veliko ulaganje truda i rada, Industrija mesa Goranović je danas privredni subjekt sa asortimanom od preko 120 proizvoda, više od 170 uposlenih i značajnim učešćem na tržištima Crne Gore i regiona.

Misija Industrije mesa Goranović je da tržištu ponudi proizvod vrhunskog kvaliteta, modernog pakovanja, ambalaže i dizajna, u potpunosti prilagođen potrebama i zahtjevima potrošača, a u skladu sa svjetskim standardima i s posebnim akcentom na kvalitetu proizvoda.

Naša vizija je da na tržištu regiona budemo prepoznatljiv brend u proizvodnji i prodaji suvomesnatih proizvoda i prerađevina od mesa, sa tendencijom prisustva na evropskom tržištu.

Kvalitet proizvoda je imperativ i kompanija poklanja maksimalnu pažnju samom procesu proizvodnje, kontroli kvaliteta i svim pratećim aspektima od nabavke sirovine do isporuke proizvoda do krajnjih potrošača. Visokim kvalitetom proizvoda, savremenim tehnološkim postupcima koje prati moderna oprema najpriznatijih proizvođača, stručnim kadrom za proizvodnju i kontrolu kvaliteta proizvoda od mesa, kao i efikasnom organizacijom, uspjeli smo steći naklonost potrošača, kako u zemlji tako i inostranstvu.

Sa dnevnim kapacitetom proizvodnje od 60000 kg proizvoda od mesa, Industrija mesa "Goranović" je vodeći privredni subjekat u proizvodnji finalnih proizvoda od mesa u Crnoj Gori i brend prepoznatljiv po kvalitetu proizvoda i usluge.

Osnovu za proces proizvodnje predstavlja visoko kvalitetna sirovina, pažljivo i stručno sortirana po porijeklu i kvalitetu.

Meat industry Goranovic is privately owned by the Goranovic family, which started its business activities in 1986 when it opened a retail store in Niksic.

In 2001, a modern plant for the production of meat products was put into operation. Soon after that, the company opened one more retail store.

One of the most modern slaughterhouses in the region was built in 2011. It has got the most up-to-date equipment, slaughtering lines and cutting plant.

From humble beginnings few decades ago, after a lot of effort and hard work, Meat Industry Goranovic is now a company with the assortment of more than 120 products, more than 170 employees and significant share in the markets of Montenegro and the region.

The mission of Meat Industry Goranovic is to offer high quality products, packed and designed in a modern way, made to meet the consumers' needs and requirements, and in accordance with international standards, especially those concerning the quality of products.

The vision of the company is to be a regionally recognizable brand in meat production and sale with a tendency to be present on the European market.

The quality of products is imperative and the company pays maximum attention to the production process, quality control and all related aspects from the procurement of raw materials to the delivery of products to end consumers. With high quality products, modern technological processes, up-to-date equipment made by the most reputable manufacturers, experts for the production and meat products quality control, as well as an efficient organization, we gained favour of consumers both in Montenegro and abroad.

With the production capacity of 60000 kg of meat products per day, Meat Industry Goranovic is a leading meat processing company in Montenegro and a brand recognizable by the quality of products and service.

High quality raw materials, which are carefully and skillfully sorted according to their origin and quality, represent the basis for the production process.

According to the technological production processes, the meat products are divided into following groups:

- Boiled sausages with meat pieces (Finely and roughly chopped sausages with meat pieces)
- Smoked products
- Fermented sausages
- Cured meat products
- Cooked sausages
- Meat pieces products in casing

The Company Goranović also offers fresh meat: lamb, pork, veal and beef meat.
